CROWD**

Arts & Education Charity
Winchester

A group of performers in theatrical costumes. In the center, a man wearing a brown hat with a straw tuft and a plaid shirt plays a black and white Scandall accordion. To his left, a person in a lion's head costume with orange fur and black whiskers holds a silver megaphone. To the right, a woman with dark hair is smiling and looking upwards. The background is a green wall with faint circular patterns.

About this role

We're looking for two Theatre Technicians to join our team based at Theatre Royal Winchester.

- 1 Theatre Technician on a full time permanent contract: 36 hours a week (Part-time and job share applications will be considered for the right candidate(s)).
- 1 Theatre Technician on a part time permanent contract: 18 hours a week.

This salary is £23,409 - £25,208 (with opportunities for overtime), pro rata for the part time role.

The Theatre Technicians will work as part of a small resident technical team based at Theatre Royal Winchester providing excellent technical support for all the organisation's events, both in the theatre and beyond.

The Theatre Technicians will provide hands-on support to visiting companies working on Get-Ins, Get-Outs and performances to the highest standards of safety, quality and efficiency.

We're looking for people who are passionate about their work and will always strive for the highest standards. Enthusiasm and dedication is a must.

The role requires you to have knowledge of programming generic and intelligent lighting on an ETC lighting desk; be able to demonstrate a working knowledge of sound and AV setups; and have a knowledge of theatre practices and procedures to ensure a safe working environment.

The job requires regular heavy lifting (between 10kg and 30kg), climbing vertical ladders, moving weight at height.

What you will do

Technical Operations

- To plot, programme and operate lighting states for incoming shows.
- Operate and set up sound and AV equipment.
- Assist in the safe flying and operation of the counterweight system.
- Carry out stage management functions as necessary for events at the theatre and for other venues or projects.
- Cover technical and operating duties as the duty technician during shows in the absence of the Technical Manager.
- Contribute to and facilitate the smooth running of pre-rigs, load-ins, fit-ups, get-outs and shows, in line with health and safety legislation and the requirements of the visiting company.

Maintenance and Best Practice

- Ensure that the electrical installation within the venue is safe and that faults are dealt with promptly.
- Service, maintain and install electrical materials/equipment in line with IET Regulations.
- Liaise with outside contractors where appropriate, ensuring that all work is carried out to the highest possible standards and in line with Health & Safety requirements.
- Implement and comply with the company Health & Safety Policy, maintaining the safest possible environment for colleagues, visiting companies and customers.
- Ensure that only competent personnel are allowed to operate electrical equipment within the venue and that they adhere to the company Health & Safety Policy.
- Complete regular inspections of electrical equipment within the venue and carry out PAT testing in line with health and safety legislative requirements.

“Play to the Crowd offers glorious theatrical opportunities and experiences that enrich us all.”

What you will do

Administrative

- Attend regular meetings with venue management to liaise on health and safety issues and to discuss forthcoming show requirements.
- Produce accurate quotations for any work to be undertaken within the venue for submission to the venue management as needed.
- Plan pre-rigs and liaise with visiting companies on their lighting requirements.

General

- Champion the organisation's values and act as an advocate for the organisation with the public and key stakeholders.
- Adhere to organisational policies and procedures, and carry out all tasks to the highest standards in accordance with best practice.
- Actively support the organisation's action plans in respect of inclusion and equality.
- Participate in training, and other forms of staff and team development.
- Undertake such other tasks as are agreed with the Management of Play to the Crowd.
- Comply with the company's Health and Safety policy at all times.

What you will bring
